## HOSTING OUT-OF-STATE SWIMMERS

Some of us attending Oregon meets have enjoyed the hospitality of Oregon Masters. We arrived at a friendly destination, enjoyed the warmth of a family, were guided to the best restaurants in the vicinity, and to the pool the next day. We got all that and were saved the cost of a motel. In gratitude, we have invited our previous hosts to stay in our homes here. My first visit by Oregon swimmers will be during the Kent meet.

Out-of-state swimmers frequently call looking for these arrangements. In the interests of courtesy and efficiency the PNA board has decided to establish a list of PNA members willing to act as hosts for upcoming meets. I volunteered to collect PNA names and a description of facilities available to these callers.

Therefore, if you're interested in opening your home to visiting swimmers, write me and I'll add your name to the list. Stipulate whether you can provide beds or floor space (for sleeping bags). You would not be expected to feed your guests.

My name and address is:

David R. Addleman  
1812 Maple Lane, D-21  
Kent, WA 98031

JUST A NOTE: For those of you unfamiliar with the Evergreen Pool in Olympia, Wa., it is beautiful. The Pool is 25 yds. x 25 m. It has 11 lanes and 9 starting blocks. The Evergreen hosts are excited about this meet and hope to see a big turnout... See you there!
